

WANT TO RADICALLY CHANGE OUR BOYS' FUTURES?

Jovenes en Camino has partnered with Flint Global's Thriving Skills program to prepare our boys for the transition out of the campus gates.

GOAL:

Our boys increase their capacity and confidence to live independently in a healthy environment.

Tell me more about this program:

EQUIP

The partnership will establish a program that equips our boys for their transition through a therapeutic and educational process.

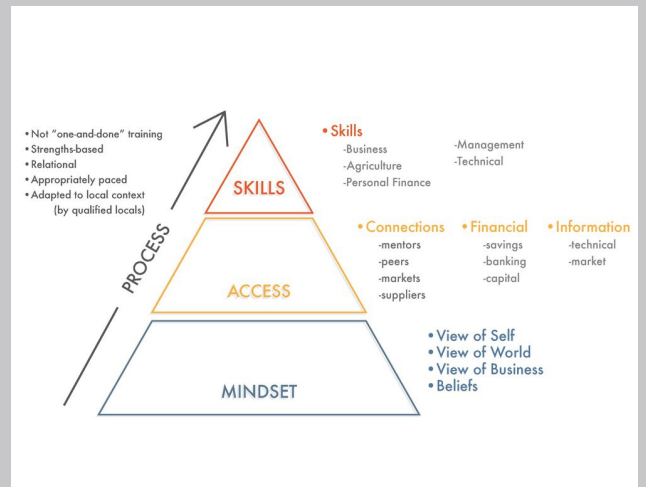

DEVELOP

This process will seek to develop a mindset that drives healthy choices and behavior and to teach the skills necessary for independent living.

CONNECT

Upon completion of the 46 class course, the program will have provided the boys' with access to real employment and business opportunities.
